

Management Control Association

The 10th Management Control Research Conference will take place at and in cooperation with the University of Antwerp, Belgium 7th – 9th September 2016 (Doctoral colloquium: 6th – 7th September 2016)

We are delighted to announce our plenary speakers:

Professor Kari Lukka

Professor & Head of Department of Accounting & Finance,
Turku School of Economics, University of Turku, Finland

Professor Alexandra Van den Abbeele

Professor of Management Accounting & Control,
Head of Research Centre for Accountancy, KU Leuven, Belgium

Professor Eddy Cardinaels

Professor of Accounting,
KU Leuven, Belgium and Tilburg University, Netherlands

Centrally located in the Flanders city of Antwerp at Prinsstraat 13, the campus has a mix of amazing old buildings and modern structures. It is known for its world class research and in 2014 it had a total of 3,650 scientific publications (an average of 10 a day!). We are kindly hosted by Professor Ann Jorissen, Vice-Chair of the Department of Accounting & Finance.

The Management Control Association

is a network of researchers who are interested in the broad area of control in organisations. The ethos of the MCA is to develop critical insights into control processes and encourage research that recognises the organisational, personal and social contexts of control. Additional details about the conference will be released shortly, but for further information, including membership of the MCA, please go to www.managementcontrolassociation.ac.uk
