

**Management Control Association**

**UNIVERSITY OF  
BIRMINGHAM**

**BIRMINGHAM  
BUSINESS  
SCHOOL**

Dear MCA member,

We invite papers or extended abstracts for presentation at the **online MCA workshop on the 16th of February 2024**, facilitated by the University of Birmingham. The format of the MCA workshop includes research presentations with discussant feedback.

For submissions, please send your draft paper/extended abstract to Dr Melina Manochin (MCA Honorary Secretary): [m.manochin@bham.ac.uk](mailto:m.manochin@bham.ac.uk) by 1<sup>st</sup> of February 2024. Also, please let us know if you wish to register as a participant only or as a discussant only at least 10 days before the event.

As this a FREE event and it will take place online – the program and login information will be forwarded to all participants in early February 2024.

#### MCA Membership Scheme

Attendance at conferences and workshops is open to all, but we do have a membership/donation scheme. This will ensure that you are on the lists and receive details of the workshops. It also allows you to present at any of our events. It also supports our seedcorn research-funding scheme for junior researchers.

Please support the MCA by joining – our annual membership is a recommended donation of just £10! (payable in other currencies – see How to Join <https://www.managementcontrolassociation.ac.uk/how-to-join/>)

The funds help to pay the costs of the four workshop meetings, website and professional fees, and the out-of-pocket expenses of the organising Council. Often the host institution is kind enough to sponsor the lunch and accommodation for us.

Kind regards,

MCA Workshop organising committee
