

Management Control Association

ONLINE MCA WORKSHOP – 4th March 2026

Call for papers

We invite papers or extended abstracts for presentation at the **online MCA workshop on Wednesday 4th March 2026**, facilitated by Royal Holloway Business School. The format of the MCA workshop includes research presentations with group feedback.

We welcome empirical and theoretical contributions focusing on any topic in management accounting and control, broadly defined, to include organisational risk, sustainability and governance for example. Qualitative work developing critical insights into control processes and recognising the organisational, personal and social contexts of control are especially encouraged.

For **submissions**, please send your draft paper/extended abstract to Dr Anna Raffoni (MCA Council Member): a.raffoni@lboro.ac.uk by **17th February 2026**.

Also, please let us know if you wish to register as a participant only at least 7 days before the event (25th February).

This is a **FREE** event and it will take place **online** between 9.30am and 3.30pm – the program and login information will be forwarded to all participants by 27th February 2026.

Kind regards,

Dr Giulia Achilli, Prof Elaine Harris, Dr Anna Raffoni, & Prof Leonardo Rinaldi
